

Extended: Residence permit Ukraine!

With the announcement of the "1st Ordinance Amending the Ukraine Residence Permit Continued Validity Ordinance" (1st UkraineAufenthÄndFGV) of November 22nd, 2024, the residence permits according to Section 24 of the Residence Act (temporary protection), which are still valid on February 1st, 2025, are automatically extended until March 4th, 2026. The residence permits according to Section 24 of the Residence Act that already expired in 2024 were automatically extended to March 4th, 2025 with the "Ukraine Residence Permit Continued Validity Ordinance" (UkraineAufenthFGV) of November 28th, 2023, so that they will also remain valid until March 4th, 2026.

- An individual extension is not required.
- It is therefore not necessary to appear at the immigration office.
- No new residence permits will be issued.

We also ask you to refrain from making any inquiries to the immigration office.
